

# **PID CERTIFIED**

Certificate Number: PC-00117

## **PVEL Potential Induced Degradation Certification**

PVEL ID: **G1-10-211**

Manufacturer: **Chint Solar (Zhejiang) Co., Ltd**

Module: **CHSM6612P**

Address: Chint Solar

1335 Bin An Rd. Binjiang District, Hangzhou

310053, P.R. China

*The module above has met or exceeded the PID program criteria in the following system configuration(s):*

**Positive Grounded**

**Negative Grounded**

**Ungrounded**

Program Criteria:

**Modules degrade less than 5% in Pmax at STC after 100 hours**

**Modules degrade less than 10% in Pmax at STC after 600 hours**

Testing Conditions:

**Temperature:** 85°C

**Relative Humidity:** 85%

**Voltage:** +1,000V and -1,000V
